

Prince Pueckler Park Bad Muskau

von ReDi Fotografie

Passionate garden
architect and travel
writer

Pueckler introduced himself to the Great Elector in Potsdam with the sentence, "I am the gardener of Muskau." This cross-border park has lots of amazing details beyond the perspectives and lines of sight. Climb to new heights, explore the ground, or into the air. Ride the historic steam train and enjoy this unique park.

Prince Pueckler Park
